

PORTABLE TOILET EQUIPMENT

MONOSAN FLUSH TOILET WITH SINK

- LIGHT, BRIGHT & ROOMY -

The exterior of this unit is built of a durable thermoplastic called Monopan®. This ultramodern material allows the natural light from outside to infuse the inside of the unit while still remaining semi opaque.

For high class special events with sophisticated facilities, the VIP Monosan raises the bar. This unit has 30% more capacity than other units. With a freshwater toilet & sink, as well as a full vanity and mirror, you are guaranteed to infatuate every guest.

Servicing is fulfilled on-site by our trained technicians. It includes cleaning the restroom, the removal of waste from the tank and restocking the supplies as required. We offer flexible service time frames to suit your schedule. Whether it is daily, weekly or monthly, you let us know! Our technicians document all service stops inside the unit for your review and convenience.

24/7 emergency service is available.
