

TRAILER RESTROOMS

LUX-2

The LUX-2 raises every guest's comfort, it is the height of luxury in a washroom trailer.

Fine crafted faux maple woodwork, faux marble walls & counters, speakers throughout, it's all there. A level of richness we thought could only be indoors, is now portable!

Servicing is fulfilled on-site by our trained technicians. This includes cleaning the restroom, the removal of waste from the tank and restocking the supplies as required. We offer flexible service time frames to suit your schedule. Whether it is daily, weekly or monthly, you let us know! Our technicians document all service stops inside the unit for your review and convenience.

24/7 emergency service is available.
